

SPONSORSHIP BROCHURE

DIMO HACK

VITAP

SCHEDULE

DAY 1: 13 APR 2024

DAY 2: 14 APR 2024

ABOUT US

The main vision behind organizing the DimoHack VITAP Hackathon is to build a community of healthy youth with a big perspective on problem-solving . Amaravati is such a lime light city is yet to build a such community for all . The culture of hackathons isn't yet publicized in the manner it should have been done years back .

We are aspiring to become Southern-India's biggest platform for a hackathon in the future. Talking about aspirations & desires, every household has a coding enthusiast child but due to some other reason, it changes its career by suppressing its desire just for the sake of a mere amount of notes. This all happens because of either lack of opportunities or a lack of proper support. BUT we want to provide support & opportunity to such children & grow our youth's minds to critical thinking & problem solving

The organizer of this event- The Nexus Society, has an ambitious history of success. Be it any local hackathons, college-funded events, or national events our members have aced everywhere. For particular insight, we had a hat trick of winning different hackathons in different parts of the south.

WHY SPONSOR US?

The main motto of DimoHack VITAP is to build a regular culture of hackathons at a bigger scale not only in VIT-AP but all over India. Which in return would give us youth with better problem-solving skills.

As we are going to see a pan-platform where people will be joining for participation. it would be creating an irresistible platform for any market enthusiast business promoter.

More than advertisements we make our sponsors our integrate speakers of the event. Wherein they can easily grab the young minds via their services /products using enlightenment techniques.

Sponsors are going to put forward their brand name or brand products in front of a public who never heard of it or will be able to make a better perspective of it.

WHY SPONSOR US?

This will be an extraordinary moment because this event will be creating an atmosphere of healthy competition. So, in this vital moment, a marketer would have an easy game of making an emotional connection with the probable future customer.

At any point in the hour every aspect will agree & say we're going to be a high-profile & high-fame event. Any brand joining hands with us will make a positive perspective on customers for that brand.

Image building is the vital key for any brand to build. Our event will provide a calm perspective with aggressive success growth for every brand joining us.

BE OUR TITLE SPONSOR

(No more slots left)

We offer our title sponsor to conduct two workshops. One workshop will be before the hackathon to spread product awareness, and one workshop during the hackathon to enhance the brand reach among the target audience.

The title sponsor brand name will appear along with the DIMO HACK VITAP, brand name.

e.g. <title sponsor> VITAP

The title sponsor logo will be used everywhere i.e in all our posters, social media, etc.

Participating hackers shall receive custom sponsor brand stickers.

We conduct events throughout the year and would love to keep encouraging students to use the product.

Our title sponsor gets a platform to conduct an offline workshop during the offline round of the hackathon.
